

SOLAPUR EDUCATION SOCIETY'S

S.E.S. POLYTECHNIC, SOLAPUR

Samrat Chowk, Solapur

CERTIFICATE

This is to certify that the Following students of Computer Department

1. Shruti Ingale. (3508)
2. Priyanka Tondase. (3509)
3. Nikita Sambari (3510)

has satisfactorily completed micro-project titled **Medical Store Management System.**

in subject **“Advanced Java Programming” (22517)** as prescribed by Maharashtra State Board Of Technical Education, Mumbai. For the **Fifth** semester (I-Scheme) of Diploma in Computer Technology in Academic Year 2019 - 2020

Date: 12 / 10 / 2019

Staff Incharge
(Mrs.Trigule D.J.)

Head of Dept
(Mr.Patil M.C)

Principal
(Dr.Joshi S.B.)
S.E.S. Polytechnic,
Solapur

Synopsis :-

The main objective of Medical Store Management System is to manage the details of Medical store, Stocks, Inventory, sells, company. medicines. The project is totally built at administrative end and only the administrator ids guaranteed the access. The purpose of project is to built an application program to reduce the manual work for managing the Medical store. It tracks all the details about the Inventory, sells, Company and so on.

Microproject – Course Outcome matrix**Course Outcomes :**

- a. Develop programs using GUI framework(AWT and Swing).
- b. Handle events of AWT and Swings components.
- c. Develop programs to handle events in java programming.
- d. Develop java programs using networking concepts.
- e. Develop programs using database.
- f. Develop programs using servlets
